

GHANSYAM VINUBHAI PATEL

Trained at ITI Sarkhej,
Ahmedabad, Gujarat

He has completed his training in electrician trade at ITI, Sarkhej. He was a curious and enthusiastic trainee; obtained 77% marks in final examination under patience guidance of Shri J. U. Bhavsar (S.I, ITI Sarkhej). The ITI helped him in getting apprenticeship training with a stipend amount of Rs. 4,000.

“ Currently I earn monthly salary of Rs. 18,000 and support my family. I come from modest economical ground and it was impossible for me to pursue higher technical education. ITI, Sarkhej provided me opportunity to develop technical skills and provided support to get employment. With my current job, I also find time to help students at ITI Sarkhej.”

**Currently working as
'Production in-charge in IRIS
Automation Pvt. Ltd, Vadsar
and earns Rs. 18,000 p.m. as
an electrician.**

After Successful completion of internship the IRIS Automation Pvt. Ltd, Vadsar, Kalol appointed him as helper. His punctuality, sincerity and dedication towards work, got him promoted from time to time and currently, he is a 'Production In-charge' of his company. He also went to Singapore to represent his company in a workshop. He volunteer took responsibility to acts as a point of contact between ITI, Sarkhej and his company for placement and internship activities.
