

Young Entrepreneur

Mr. PATEL ANAND DASHRATHBHAI

*Mechanical Diesel
ITI Mehsana, Gujarat*

BACKGROUND

Being the eldest son Anand wanted to shoulder the responsibility of supporting his family. Financial constraints forced him to drop from school after 10th standard and join ITI. He performed very well during his training and obtained best rank in institute. He was sharp and determined during his training. He got opportunity to visit several industries around ITI which shaped the entrepreneur inside him.

JOURNEY FROM SKILLS TO EMPLOYMENT

Anand was highly motivated by the workshop training at ITI and decided to start his own business and create jobs for others. He took help of ITI trainers to find machinery and prepare business plan. He is successfully running his business since 3 years and able to create profit of INR 75,000 per month.
