• Grading parameters

There are 43 grading parameters categorized into 10 heads:

Grading of Industrial Training Institutes (ITIs) Framework and Methodology

- **Need for grading of ITIs**
 - To ensure a standard “quality assurance mechanism” for ITIs
 - To provide a “benchmark for comparison” among the institutes
- **Objective of grading of ITIs**
 - To provide “*Star Rating*” to performing institutes
 - To identify at least 500 ITIs to become “World Class” training institutes, recognized for their training standards and practices, in India and abroad
- **Benefits of grading**
 - To the sector:**
 - Differentiate between performing & non-performing ITIs;
 - Identify best practices;
 - Enabling healthy competition; employers/corporates;
 - Enabling benchmarking across the country, and in the same state or region
 - To ITIs:**
 - Addition of new trades/units
 - Eligible to receive financial support under Government schemes including STRIVE (proposed World Bank Project)
 - Principals and Instructors of private ITIs will be provided training in central institutes in India and also will be given opportunity for training abroad, wherever possible
 - Grading remarks would be reflected on NTC certificates
